Dual-Mic

Auto-focu

lug&Play

Camera on/off

Mute on/off

Fill-in Light

NUROUM V15-AFLB is a 2K smart webcam. Equipped with 4MP HD Image Sensor, 75° wide angle lens, and with the help of WDR technology, V15-AFLB provides same clear video images in different light conditions. Featuring built-in dual mic and 3D noise suppression and area sound pickup are realized. The V15-AFLB webcam protects your privacy and gives you more peace of mind during your work. V15-AFLB is an ideal choice for an individual or small team with less than 4 people.

Product features

Auto-focus

Fast auto focus webcam provides crystal image quality, easy to capture every details.

2K image

The V15-AFLB features a 1080P@60fps camera. It presents peerless images and vivid colors.

Al Noise Suppression

Dual microphones with AI noise suppression filter out unwanted noise and automatically pick up your voice within a 3-meter radius, making your voice more natural and clear.

Flexible, Plug-and-Play Connectivity

Simply connect it to your computer with a USB cable and it's ready to use, no extra drivers required.

Designed for privacy

V15-AFLB webcam comes with a special function that can reliably protect privacy by switching the camera ON/OFF and muting/unmuting the microphone with a touch.

Fill-in light

V15-AFLB fill-in light keeps your picture bright in any condition.

Al Noise-Suppression

Max 2k@30fps/1080p@60fps

Mute on/off

Auto-focus

Privacy protection supported

Camera on/off

75° viewing angle
